**Re: Tree Felling Works at Blessington Street Basin,
North Circular Road**

Dear Resident/Business,

GRAHAM Construction, on behalf of the National Transport Authority (NTA), is beginning construction on the Ballymun/Finglas to City Centre Core Bus Corridor Scheme. BusConnects is a transformative city-shaping initiative designed to make bus journeys more reliable and efficient, while also delivering major improvements to cycling and pedestrian infrastructure across the Greater Dublin Area.

We previously notified you of tree felling and vegetation management works taking place between **Monday, 5 October 2026 and Sunday, 11 October 2026** at two locations in Phibsborough:

Location 1: The area adjacent to Phibsborough Library

Location 2: The entrance area to Blessington Street Basin on the North Circular Road

We are now writing to you to advise that works at **location 2** need to be extended to also take place **between Monday, 12 October 2026 and Friday, 16 October 2026**. Working hours will be between 7.30am and 11.00pm, Monday to Friday.

To facilitate these works safely, **the entrance to Blessington Street Basin from the North Circular Road will be closed to pedestrians from 8.00am on Monday, 12 October until 7.00pm Friday, 16 October 2026**, and access through this entrance will not be possible. We appreciate your patience and understanding while these essential works are carried out.

In advance of this project moving to construction, we will continue to proactively communicate clear details of the project to the local community and relevant stakeholders in the area. We regret any inconvenience these essential works may cause.

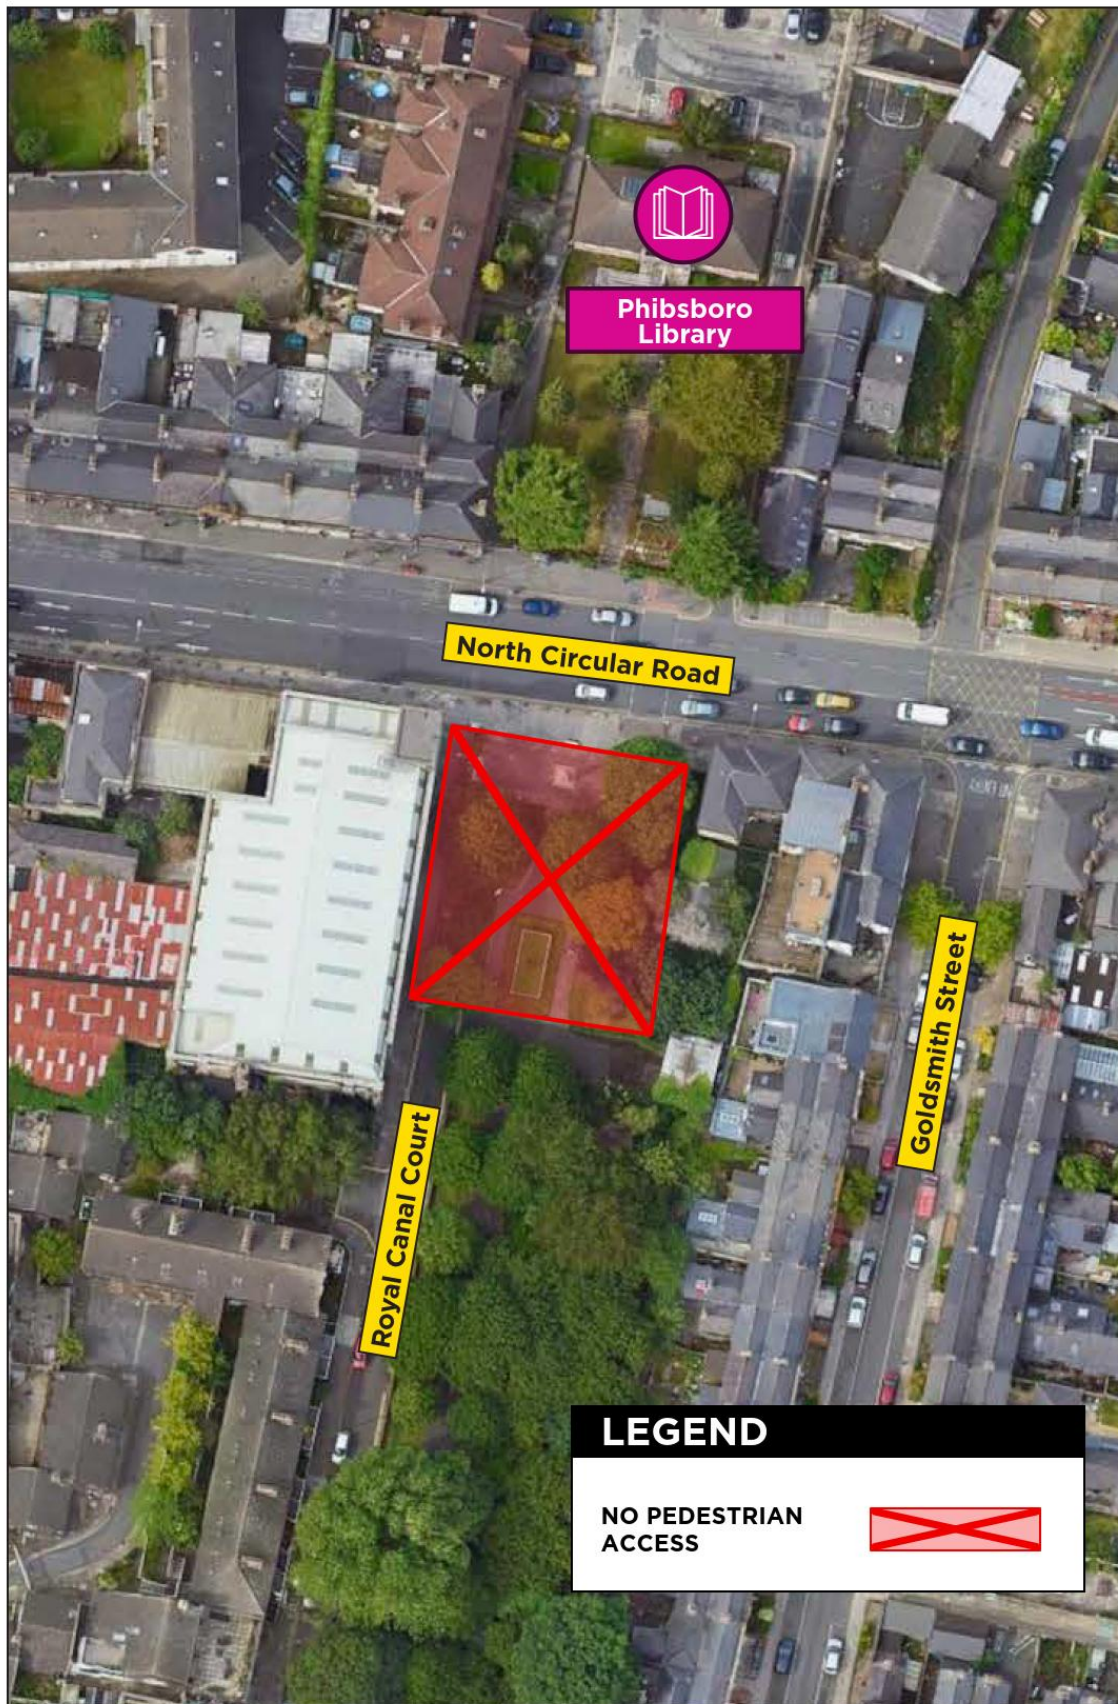

For further information, please contact **Clodagh McGivern, Community Liaison Officer with GRAHAM**, on **087 000 3734** or **busconnects@graham.ie**. Email the BusConnects team at **ballymunfinglassscheme@busconnects.ie**.

Yours sincerely,
GRAHAM Construction

A Chónaitheora/Ghnólachta, a chara,

Tá GRAHAM Construction, thar ceann an Údaráis Náisiúnta Iompair (ÚNI), ag cur tús le tógáil ar an Scéim Croíchonair Bus ó Bhaile Munna/Fionnghlas go Lár na Cathrach. Is tionscnamh claochlaitheach é BusConnects lena gcuirtear le cruth na cathrach atá beartaithe le turais bhus a dhéanamh níos iontaofa agus níos éifeachtaí agus lena gcuirtear feabhsuithe móra ar an mbonneagar rothaíochta agus coisithe freisin ar fud Mhórcheantar Bhaile Átha Cliath.

Chuir muid thú ar an eolas maidir le hoibreacha leagan crann agus bainistiú fásra roimhe seo le bheith ar siúl idir **Dé Luain, an 5 Deireadh Fómhair 2026 agus Dé Domhnaigh, an 11 Deireadh Fómhair 2026** ag dhá shuíomh i mBaile Phib:

Suíomh 1: An áit atá cóngarach do Leabharlann Bhaile Phib

Suíomh 2: An áit iontrála do Pháirc Bhaile Coimín (An Taiscumar) ar an gCuarbhóthar Thuaidh

Táimid ag scríobh chugat anois chun a mheabhrú duit go bhfuil gá na hoibreacha ag **suíomh 2** a shíneadh agus go mbeidh siad ar siúl **idir Dé Luain, an 12 Deireadh Fómhair 2026 agus Dé hAoine, an 16 Deireadh Fómhair 2026** chomh maith. Beidh na huaireanta oibre idir 7.30am agus 11.00pm, an Luan go dtí an Aoine. Chun na hoibreacha sin a éascú go sábháilte, **dúnfar áit iontrála Pháirc Bhaile Coimín (An Taiscumar) ón gCuarbhóthar Thuaidh do choisithe ó 8.00am Dé Luain, an 12 Deireadh Fómhair go dtí 7.00pm Dé hAoine, an 16 Deireadh Fómhair 2026**, agus ní bheifear in ann rochtain a fháil ar an iontráil sin. Is mór againn d'fhoighne agus do chuid tuisceana agus na hoibreacha riachtanacha seo á ndéanamh.

Sula mbogfaidh an tionscadal seo ar aghaidh chuig an gcéim thógála, leanfaimid orainn ag cur sonraí soiléire faoin tionscadal in iúl go réamhghníomhach don phobal áitiúil agus do na páirtithe leasmhara ábhartha sa cheantar. Gabhaimid leithscéal as aon mhíchaoithiúlacht a d'fhéadfadh eascairt as na hoibreacha riachtanacha seo.

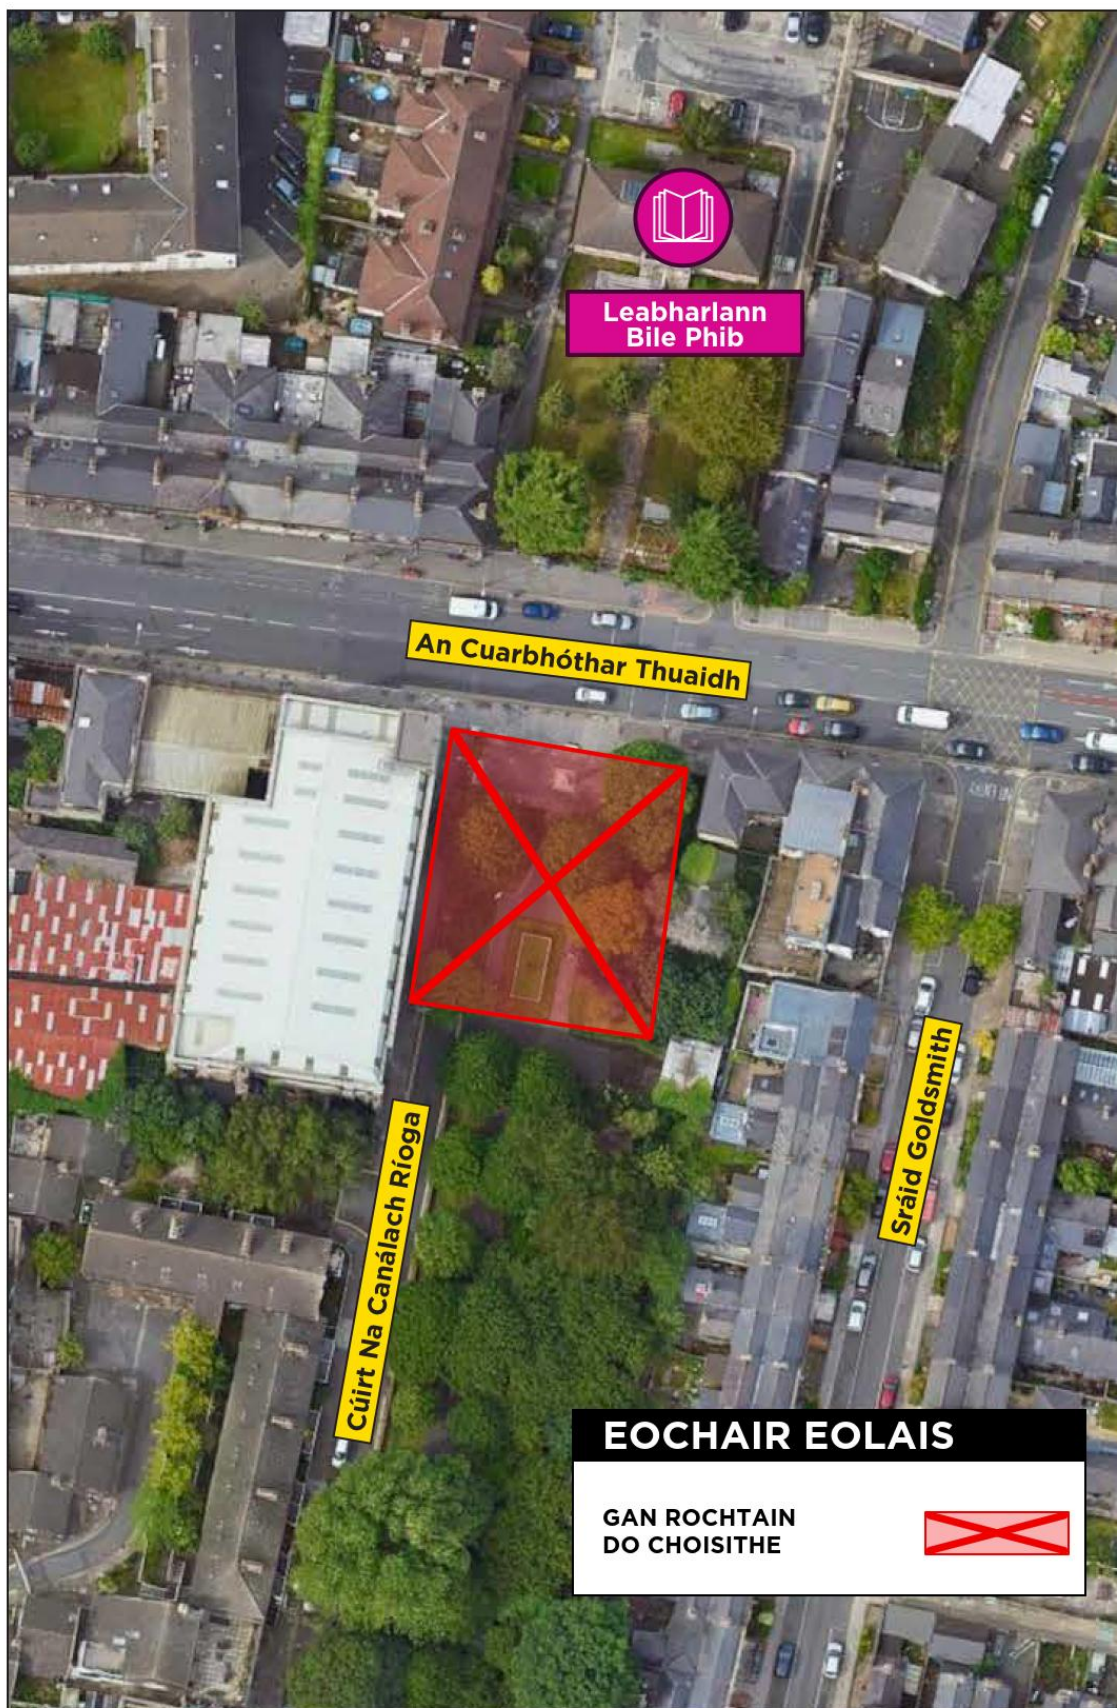

Le haghaidh tuilleadh eolais, déan teagmháil le **Clodagh McGivern, Oifigeach Idirchaidrimh don Phobal le GRAHAM**, ar **087 000 3734** nó **busconnects@graham.ie**. Seol ríomhphost chuig foireann BusConnects ag **ballymunfinglassscheme@busconnects.ie**.

Le dea-mhéin,
GRAHAM Construction
